

RHODE ISLAND BLUEWAYS ALLIANCE
www.ExploreRI.org

“Dedicated to creating a water trail network throughout the waters of Rhode Island and the Narragansett Bay watershed”

We invite you to join our organization as a member! Our membership fees are reasonable and allow you to support our work including the development of the excellent web site ExploreRI.org, our annual celebration of paddling the Blueways (Paddle09 coming in June and July!), the development of Blueways trails, and other projects that we have underway to encourage and support recreational paddling in Rhode Island and throughout the Narragansett Bay Watershed.

203 Arcadia Road
Hope Valley, RI 02832

The mission of the Rhode Island Blueways Alliance is to develop a water trail network linking Rhode Island's rivers, lakes and ponds to Narragansett Bay and to use the trails to promote safety, conservation, recreation and economic development. Rhode Island Blueways is a statewide network of paddle trips, ranging from short outings on ponds to challenging crossings of Narragansett Bay. It is also a formal alliance of several dozen public and private partners who cooperate to:

- ▶ Manage www.ExploreRI.org (the online public boat launch directory)
- ▶ Promote safety-first paddling,
- ▶ Promote conservation of the land and water we enjoy, and
- ▶ Make it easy for visitors and residents to line up outfitters, gear, transportation, food and lodging for everything from an afternoon outing to an extended vacation.
